INTRODUCTION AND GENERAL INFORMATION

I. INTRODUCTION

This handbook will give you answers to your questions concerning your employment. Please read it thoroughly and retain it for your future reference. The rules, policies and procedures stated in this handbook are guidelines only and are subject to change at the sole discretion of the Medical Center in conformity to civil service law and rules. You may receive updated information for change in policy from time to time. If you have any questions regarding this handbook, you may consult your immediate supervisor/division chief/Human Resource Management Section.

HISTORY

The Cebu South Medical Center (CSMC), a Department of Health retained hospital located in Barangay San Isidro, Talisay City, Cebu was established in 1994 under the Republic Act No. 7799 authored on August 26, 1994 by then Deputy Speaker Eduardo R. Gullas, 1st District Representative of Cebu Province. Realized through the support of Regional Health Director, Charito Alfonso-Awiten and Secretary of Health Alberto G. Romualdez, Jr., the hospital was completed and inaugurated on August 3, 1999 by then President Joseph Ejercito Estrada.

The Medical Center was originally licensed by the Department of Health as a Level 1 facility with an authorized 10 bed capacity. Initially, the hospital was envisioned to provide health services to the 22 densely populated barangays of Talisay City in addition to the population of the neighboring Municipalities of Minglanilla and Naga City.

Due to the accessibility of CSMC, the Medical Center was admitting patients beyond its bed capacity. The number of in-patients has increased resulting to an average bed occupancy rate of 194.2% based on the authorized bed capacity of 10 in the last 5 years (2007-2011). Hence, CSMC was granted by the Department of Health a 25-bed capacity license with a funding allocation which is only appropriate for 10 bed capacity hospital. Moreover, the structure of the hospital was only built for a 25-bed capacity.

In 2013, then Sec. Enrique Ona released the DOH Administrative Order No. 2013-0029 which mandates the redirection of the role of TDH from a Level 1 - 25-bed general hospital to a 50-bed Level II General Hospital. This phenomenal development in the history of Cebu South Medical Center is consistent with the Medical Center Development Plan where CSMC has been envisioned to become the Center for Trauma, Rehabilitation and Sports Medicine in the Visayas.

In 2016, by virtue of DOH Administrative Order 2016-0021, CSMC expanded its services by operating as a 100-bed capacity Level 2 hospital, fully departmentalized in clinical and non-clinical services, with additional capability in trauma, rehabilitation and sports medicine, and with health human resource complement. Initially, the expansion was granted for a four-storey twin building. However, due to the steady increase in patient census, the Administrative Order 2016-0021 signed by then Secretary Janette Loretto Garin set the revised Implementing Rules and Regulations of its charter allowing CSMC to construct a seven-story building with a bed capacity of 300, thereby elevating its status to a Level 3 teaching and training institution. This building will house a Surgical Complex with four OR theaters and post Anesthesia care Units, Obstetric Complex with ten DR tables, two OB OR Theaters, Critical Care Units, Patient Care Units including departmentalized PHIC Wards, and a private wing.

Cebu South Medical Center was the first recipient of the Department of Health Red Orchid Hall of Fame Award in the Visayas Cluster for maintaining a 100% smoke-free facility for three consecutive years. It continues to receive major accreditations and citations for strengthening its services, improving its capability, while constantly serving as a referral hospital for trauma, rehabilitation, and sports medicines complementing the services of local health care facilities in the province and the region.

Today, it is the lone DOH-retained general hospital in the City of Talisay and in Southern Cebu which offers health services to its wide catchment areas in the southern part of Cebu province and the neighboring provinces of Negros Oriental and Bohol. Its services range from in-patient and out-patient in Surgery, Obstetrics and Gynecology, Pediatrics, Internal Medicine, Anesthesia, Dental Services, Diagnostic Laboratory, Animal Bite Treatment Center, Communicable and Non-communicable Diseases and Healthy Lifestyle Center, Responsible Parenthood and Reproductive Health Program, Program for Young Parents, Dietary and Nutrition Services, Perinatal and Newborn Care Services, Lactation Management and Breastfeeding Services, Social Work and Counseling Services, Medico-Legal Services, Smoking Cessation Clinic, Health Emergencies and Disasters Preparedness, Response and Recovery.

II. GENERAL INFORMATION

EQUAL OPPORTUNITY PRINCIPLE (EOP)

The Cebu South Medical Center upholds the Equal Opportunity Principle (EOP) pursuant to DOH Department Order No. 2019-0088 re: Institutionalization of Equal Opportunity Principle (EOP) at the Department of Health (DOH) and its Offices. Its background states that:

No less than the 1987 Philippine Constitution under Section 26, Article II guarantees equal opportunities for public service. Consistent with this constitutional policy, the Department has seen it fit to institutionalize the Equal Opportunity Principle (EOP) in the four (4) core areas of Human Resource Management Systems in the (Recruitment, Selection, and Placement; Performance Management; Rewards and Recognition; and Learning and Development) in all its offices and attached agencies. This will help eliminate all forms of discriminatory practices in the HRM processes and systems and create a working environment that is driven by meritocracy, respect for human rights, and promotion of employee morale and agency productivity.

The Department recognizes that in the filling up of positions, it is important that it is able to efficiently recruit and select the most qualified candidates to perform the duties and responsibilities of the position. It is also aware that the same advantage will result if in all its human resource actions, the Department treats its employees fairly, equally and without discrimination, and makes opportunities available to everyone, regardless of personal circumstances and only in consideration of performance, merit and fitness.

Mindful of these considerations, the Department commits to strictly observe the EOP as embodied in this Order in all aspects of its management functions.

The General Guidelines include the following:

1. Human resource actions in the Department shall be based on merit and fitness except for primarily confidential positions declared as such by law or by the Civil Service Commission (CSC). They cannot be influenced by political or other considerations.
2. The Department shall make opportunities available to everyone fairly, equally, and without discrimination, regardless of personal circumstances and only on account of performance, merit and fitness.

The EOP is applicable to all Human Resource Systems, to wit:

A. Recruitment, Selection and Placement

> "Opportunity for government employment shall be open to all qualified citizens and positive efforts shall be exerted to attract the best qualified to enter the service. Employees shall be selected on the basis of fitness to perform the duties and assume

the responsibilities of the positions." *(Section 21, Chapter 5, Book V of Executive Order No. 292).*

CSMC strictly adheres to the principles of merit, fitness and equality. There shall be no discrimination in the selection of officials and employees on account of age, sex, sexual orientation and gender identity, civil status, disability, ethnicity, social status, income, political or religious affiliations, and other similar factors/personal circumstances which run counter to meritocracy, suitability for the job, and equal employment opportunities. Qualifications and competence to perform the duties and responsibilities of the position shall be the criteria for recruitment, selection and placement.

B. Performance Management System

"The CSMC Performance Evaluation System shall provide sanctions against raters who use it to give undue advantage or disadvantage to people they rate." *(Section 3 [e], Rule IX on Performance Evaluation of the Omnibus Civil Service Rules and Regulations Performance Evaluation of the Implementing Rules and Regulations).*

Performance targeting, evaluation and review shall be based only on actual, verifiable accomplishments and not on such factors or circumstances as employees' age, gender, civil status, disability, religion, ethnicity, social status, income, paternity, and political affiliation which contravene the principles of merit, fitness for the job, and equal employment opportunity.

CSMC shall endeavor to be more sensitive and responsive to the needs, situations, and circumstances of their employees. In pursuit of the EOP, appropriate consideration and support shall be given to the differently-abled and/or those with special needs.

C. Rewards and Recognition

The grant of awards shall be governed by the merit and fitness principle. *(Section 3, Rule V of the Implementing Rules and Regulations of Republic Act No. 6713 [The Code of Conduct and Ethical Standards for Public Officials and Employees]).*

CSMC shall endeavor to motivate and inspire its officials and employees to uphold the highest standards of performance and ethics in public service by giving due recognition to deserving officials and employees who have shown exemplary public service. It shall ensure at all times that in the grant of awards and incentives, the EOP is strictly observed without discrimination on account of political or religious affiliations, sex, sexual orientation and gender identity, civil status, age, disability, or ethnicity.

The awards may either be monetary or non-monetary.

D. Learning and Development

"Every official and employee of the government is an asset or resource to be valued, developed and utilized in the delivery of basic services to the public. Hence, the development and retention of a highly competent and professional workforce in the public service shall be the main concern of every department or agency." *(Section 1, Rule VIII of the Omnibus Civil Service Rules and Regulations).*

CSMC is committed to the maximum development and utilization of the employees' abilities, skills, and potentials without discrimination.

CODE OF CONDUCT AND ETHICAL STANDARDS FOR PUBLIC OFFICIALS AND EMPLOYEES
Republic Act No. 6713

Republic Act No. 6713 is the Code of Conduct and Ethical Standards for Public Officials and Employees in the Philippines. It mandates high ethical standards, accountability, and integrity in public service, requiring officials to act with justice, uphold public interest over personal interest, and lead modest lives.

Norms of Conduct of Public Officials and Employees. Every public official and employee shall observe the following as standards of personal conduct in the discharge and execution of official duties:

(a) Commitment to public interest.

- Public officials and employees shall always uphold the public interest over and above personal interest. All government resources and powers of their respective offices must be employed and used efficiently, effectively, honestly and economically, particularly to avoid wastage in public funds and revenues.

(b) Professionalism.

- Public officials and employees shall perform and discharge their duties with the highest degree of excellence, professionalism, intelligence and skill. They shall enter public service with utmost devotion and dedication to duty. They shall endeavor to discourage wrong perceptions of their roles as dispensers or peddlers of undue patronage.

(c) Justness and sincerity.

- Public officials and employees shall remain true to the people at all times. They must act with justness and sincerity and shall not discriminate against anyone, especially the poor and the underprivileged. They shall at all times respect the rights of others, and shall refrain from doing acts contrary to law, good morals, good customs, public policy, public order, public safety and public interest. They shall not dispense or extend undue favors on account of their office to their relatives whether by consanguinity or affinity except with respect to appointments of such relatives to positions considered strictly confidential or as members of their personal staff whose terms are coterminous with theirs.

(d) Political neutrality.

- Public officials and employees shall provide service to everyone without unfair discrimination and regardless of party affiliation or preference.

(e) Responsiveness to the public.

- Public officials and employees shall extend prompt, courteous, and adequate service to the public. Unless otherwise provided by law or when required by the public interest, public officials and employees shall provide information of their policies and procedures in clear and understandable language, ensure openness of information, public consultations and hearings whenever appropriate, encourage suggestions, simplify and systematize policy, rules and procedures, avoid red tape and develop an understanding and appreciation of the socio-economic conditions prevailing in the country, especially in the depressed rural and urban areas.

(f) Nationalism and patriotism.

- Public officials and employees shall at all times be loyal to the Republic and to the Filipino people, promote the use of locally produced goods, resources and technology and encourage appreciation and pride of country and people. They shall endeavor to maintain and defend Philippine sovereignty against foreign intrusion.

(g) Commitment to democracy.

- Public officials and employees shall commit themselves to the democratic way of life and values, maintain the principle of public accountability, and manifest by deeds the supremacy of civilian authority over the military. They shall at all times uphold the Constitution and put loyalty to country above loyalty to persons or party.

(h) Simple living.

- Public officials and employees and their families shall lead modest lives appropriate to their positions and income. They shall not indulge in extravagant or ostentatious display of wealth in any form.

Requests or applications which necessitate evaluation in the resolution of complicated issues by an officer or employee of a government office.

20 DAYS HIGHLY TECHNICAL APPLICATION
Applications or requests which require use of technical knowledge, specialized skills and/or training in the processing and/or evaluation.

6 GRANT OF AUTOMATIC EXTENSION

An application or request shall be automatically extended if a government office or agency fails to act on it, until such time a decision or resolution is rendered.

7 THE ANTI-RED TAPE AUTHORITY

To ensure the attainment of the objectives of the EODB EGSD Act of 2018, there is hereby created the Anti-Red Tape Authority, which shall be organized within six (6) months and shall be attached to the Office of the President.

The Anti-Red Tape Authority, in coordination with the Civil Service Commission (CSC) and the Ease of Doing Business and Anti-Red Tape Advisory Council, shall conduct an information dissemination campaign in all LGUs and national government agencies (NGAs) to inform them of the EODB EGSD Act amending Republic Act No. 9485 or the Anti-Red Tape Act of 2007.

8 ANTI-RED TAPE UNIT IN THE CSC

The CSC shall maintain an anti-red tape unit in its central and all its regional offices, utilize Report Card Survey (RCS) findings for purposive and integrated government-wide human resource systems and programs toward efficient delivery of government service as contemplated in this Act; and receive, review, hear, and decide on complaints on erring government employees and officials and non-compliance with the provisions of the EODB EGSD Act of 2018.

9 REPORT CARD SURVEY

The RCS will be used to check compliance of all government agencies with the law. The RCS will be initiated by the Authority, in coordination with the CSC, and the Philippine Statistics Authority (PSA).

10 ADMINISTRATIVE JURISDICTION AND PENALTIES

The administrative jurisdiction on any violation of the provisions of the EODB EGSD Act of 2018 shall be vested either with the CSC or the Office of the Ombudsman.

RULES ON ADMINISTRATIVE CASES IN THE CIVIL SERVICE

The Medical Center adopts the **2025 Rules on Administrative Cases in the Civil Service (2025 RACCS)** and relevant Department of Health (DOH) issuances on the Rules in Handling Administrative Disciplinary Complaints as the basis for resolving disciplinary and non-disciplinary administrative cases or matters. This is to uphold discipline, professionalism, and accountability among all personnel, in support of safe, ethical, and quality patient care.

The 2025 RACCS provides the framework for handling administrative cases involving government employees. It defines administrative offenses, classifies them as light, less grave, or grave, and prescribes the corresponding penalties.

All Medical Center officials and employees are expected to maintain the highest standards of conduct in both clinical and non-clinical duties. Any act that compromises patient safety, violates ethical standards, breaches confidentiality, or disregards established hospital policies and Civil Service rules may be subject to administrative action.

The Medical Center ensures that due process is observed in all administrative proceedings, including:

- Proper notice of charges
- Opportunity to submit an explanation and supporting evidence
- Fair and impartial evaluation or investigation
- Issuance of a decision based on established facts and applicable rules

Depending on the nature and gravity of the offense, penalties may include reprimand, suspension, or dismissal from the service, in accordance with the 2025 RACCS and Civil Service Commission (CSC) guidelines.

This summary is provided for general guidance. All personnel are encouraged to refer to the official issuances of the 2025 RACCS, as well as related DOH and CSC policies, for complete details.
